

INTRODUCING THE **MEW PEPE**

- A Solana-based meme token. A great project. If you missed the ATH of \$PEPE, \$MEW and \$SLERF, get on MEWPEPE now and don't miss the next 100x ATH.
- Embark on this cat + frog magic and you will have wealth and joy.

ABOUT US

\$MEWPEPE is a token that derives its value from memes and joke trends on the internet. Its value is solely driven by the community's interest in the project.

ABOUT US

Your community loves cats. By bringing together cats and frogs we created MEW PEPE, the powerful meme project at SOLANA. The token is used for trading and speculation, not as a serious investment.
